

# WAYS TO PLAY

## BEGINNER GAMES

### **Pilot Training Challenge**

Be the last to fly, by trying to keep your drone in the air for 2 minutes

### **Bull's Eye Challenge**

Download the target templates from [MGAE.com](http://MGAE.com) and set your timer for 60 seconds. Pilot your drone to each target and earn points. For single player action, keep trying to top your best score. For 2-player action, the player with the highest total score after three rounds wins!

### **Disarm Challenge**

In this 2-player game, set a timer for 2 minutes. Once the time is up, the player that has the most weapons remaining wins.

## ADVANCED GAMES

### **Master the Gauntlet**

For this game, create an obstacle course using items from home, like stacking plastic cups and blast them over, hanging a hula hoop and jet through the center or landing in the laundry basket to finish. For single player action, set a timer and try to beat your best time. For 2-player action, the player that finishes the gauntlet first wins! Continue to create new obstacles to make the game more challenging.

### **Battle Drone Zone**

For this 2-player game, the player with the most points after 3 minutes is the winner! Crash into your opponent and earn 1 point for each hit. Knock an opponent's weapon off and earn 1 point for each weapon. Use a special attack to hit your opponent and earn 2 points for the hit!

### **Epic Strike**

In this 2-player game, both players start out with 3 points. The player that gets hit loses a point, if you crash your drone you lose a point and if both players crash into each other or the ground at the same time, no points are lost. After a crash, the player has 60 seconds to fix their drone and engage in battle again. The first player to zero loses the game.
